Remarks:

County Service Area No. 6 was formed to allow the collection of service charges to fund extended paratransit services to comply with the Americans with Disabilities Act (ACT).

Although the service area is formed, the fees have not been levied. In August of 1993, the County Board of Supervisors elected not to activate County Service Area No. 6. At that time, it was felt the expenses could be paid by other sources and the timing to levy a new fee was not appropriate.
