RE: Special District Alternate Commissioner to
Sacramento Local Agency Formation Commission
Election Results

In the run-off election for the Alternate Special District representative's seat to the Sacramento Local Agency Formation Commission, I am pleased to announce a winner. Of the votes submitted by the January 15, 2004 deadline, they have been tallied as follows:

Gay Jones	19 votes
Paula Parker	14 votes

One ballot was returned with no vote, stating the district did not have enough information to make a sound decision.

Ms. Jones' election to the Alternate Commissioner seat is as a replacement for Charles Rose, who vacated the Alternate's chair when he was elected Commissioner on May 15, 2003. Each office on LAFCo is for a four year term. Ms. Jones' term as Alternate Commissioner will terminate on the first Monday in May, 2005, at which time another election will be required.

Thank you for your participation in this election. Please do not hesitate to call me if you have any questions.

Very truly yours,

SACRAMENTO LOCAL AGENCY FORMATION COMMISSION
