DISCUSSION

Sacramento and Yolo Local Agency Formation Commissions are jointly hosting the 2007 Annual Conference for the California Association of LAFCoS (CALAFCo). The conference will be held on August 28-31 at the Hyatt Regency Hotel in downtown Sacramento.

The Annual Conference is attended by LAFCO commissioners, commission staff, and invited guests. LAFCO commissioners include county supervisors, city council members, special district directors and specially appointed members of the public. Guests will include State Legislators and Consultants to the Senate and Assembly Local Government Committees.

The attached Conference Schedule outlines the various programs and activities which will comprise the Annual Conference. Staff has benefited greatly from the gracious assistance offered by numerous other LAFCoS throughout the state. Your Commission is respectfully encouraged to save the dates, and make plans to attend. The registration material is attached for your use.

We will keep your Commission updated as the event approaches.
