**RECOMMENDATION**

Information only, no action is recommended.

**SUMMARY**

This memo is part of the ongoing effort to keep your Commission informed regarding various legislative matters. An ad-hoc committee appointed by the CALAFCO Board of Directors has considered and adopted positions on several bills, (Attached.) Staff will continue to track the bills, in collaboration with CALAFCO, and report back to the Commission.

**Summary:**

Would , beginning January 1, 2011, require the board of supervisors or the city council to take action, to order and place the item on the ballot, within 45 days of notification by the local agency formation commission, and would require the elections official to place the item on the ballot at the next regular election if the board of supervisors or the city council fails to take action within 45 days of the notification. This bill would also make conforming changes.

**Position:** Support

**Subject:** CKH General Procedures

**CALAFCO Comments:** This bill was a gut-and-amend to specify that a Board or Council has 45 days to place an item on the next general election ballot when requested by a LAFCo. Current law does not specify the number of days nor state what happens if the item is not placed on the ballot. If the Board or Council does not act within 45 days it requires the election official to place the item on the next General Election ballot. Adds a requirement that LAFCo must notify the election official as well as the Board or Council of an item to be placed on the ballot. It provides clarity to the process.

**Summary:**

Would provide procedures for annexing unincorporated fringe communities and unincorporated island communities , as defined, to a city under specified circumstances, including provisions for a revenue neutrality agreement between the affected local government entities.

**Attachments:**

[CALAFCO Letter of Concern](#)

**Position:** Oppose unless amended

**Subject:** Special District Consolidations

**CALAFCO Comments:** This bill provides a mechanism for residents to petition to a Board of Supervisors to be annexed to a city if they are within 1.5 miles of a boundary or within or adjacent to an existing city SOI. It requires the Board to send a resolution to LAFCo for the annexation and requires LAFCo to approve the annexation. It creates new definitions for "Islands" and for "unincorporated fringe communities." It also prohibits affected districts from terminating the annexation. This bill is sponsored by California Rural Legal Assistance and is tied to their other bill, SB 194. CALAFCO has significant concerns and is working with the author and sponsor on language before taking a position.

**AB 1668 (Knight) Local government: city councils.**

<b>Dead</b>	<b>1st House</b>				<b>2nd House</b>				Conc.			

**Summary:**

Would require the city council to, within 120 days of a vacancy in an elective office, fill that vacancy by appointment or call a special election to fill the vacancy, as specified. This bill contains other related provisions and other existing laws.

**Position:** None at this time

**Subject:** Incorporation Proceedings

**CALAFCO Comments:** This bill is nearly identical to AB 18 introduced by Assembly Member Knight in 2009. In addition to specifying the number of days a city council has to fill a vacancy, it clarifies the number of seats up for election at the first election following incorporation. CALAFCO supported AB 18. That bill was vetoed by the Governor because he felt current law was adequate on number of days to fill a vacancy. His veto was silent on number of seats at the first election. CALAFCO has proposed the seats up for election as an Assembly Omnibus Bill item. Should there be no objections from stakeholders, that item would be in the Omnibus and would be amended out of AB 1668.

**SB 194 (Florez) Community Equity Investment Act of 2010.**

**Current Text:** Amended: 1/7/2010 [pdf](#) [html](#)

<b>Dead</b>	<b>1st House</b>				<b>2nd House</b>				Conc.			

**Summary:**

Would enact the Community Equity Investment Act of 2010. The bill would make legislative findings and declarations relating to disadvantaged, unincorporated communities. The bill would specify how funds received pursuant to the federal State Community Development Block Grant Program are expended at the local government level.

**Attachments:**

CALAFCO Letter of Interest

**Position:** Watch

**Subject:** Municipal Services, Planning

**CALAFCO Comments:** This bill is intended to provide municipal services and infrastructure investment to disadvantaged unincorporated communities. Its intent, in part, is to address the role of regional agencies in addressing infrastructure deficits through changes to state agency funding programs with the intent to improve infrastructure in unincorporated communities. Language in this bill is tied to AB 853 which provides mechanisms for LAFCo to annex these communities to existing cities.

**SB 894 (Committee on Local Government) Local Government Omnibus Act of 2010.**

**Summary:**

Would include a cross reference to this authorization in each of the affected provisions. This bill contains other related provisions and other existing laws.

**Position:** Support

**Subject:** CKH General Procedures

**CALAFCO Comments:** This is the Senate Local Government Committee Omnibus Bill. AT this time it contains one minor item related to LAFCo: It cleans up language in various local government laws to clarify that judges can resolve land use and environmental lawsuits through mediation before it goes to trial.

**Summary:**

Would appropriate \$112,000 from the General Fund to the Controller for allocation to the Los Angeles County Local Agency Formation Commission for a loan to the East Los Angeles Residents Association, as specified. The bill would make findings and declarations regarding the need for a special statute. This bill contains other related provisions.

**Position:** Watch

**Subject:** Incorporation Proceedings

**CALAFCO Comments:** This would be the first time legislation has been introduced to provide funds for the State Controller to allocate to fund incorporation studies as provided in CKH. The legislation is specific that the process must be consistent with CKH law.

**Summary:**

Existing law, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 defines various terms for purposes of the act, including, among others, "affected city." This bill would make a technical, nonsubstantive change to this definition.

**Position:** Watch

**CALAFCO Comments:** This appears to be a placeholder bill.

**SB 1023 (Wiggins) Special districts: consolidation and reorganization.**

<b>Dead</b>	<b>1st House</b>				2nd House				Conc.			

**Summary:**

Would until January 1, 2018, authorize the local agency formation commission to approve or conditionally approve an expedited reorganization of specified districts into a community services district, with the same powers, duties, responsibilities, obligations, liabilities, and jurisdiction of the district proposed to be dissolved, unless the governing body of the district proposed to be dissolved files a resolution of objection with the commission, as specified. This bill contains other existing laws.

**Position:** Watch

**Subject:** Special District Consolidations

**CALAFCO Comments:** This bill provides an expedited process for the conversion of Resort Improvement Districts and select Municipal Improvement Districts to Community Service Districts. CALAFCO and the affected LAFcos and districts have been consulted on this legislation.

**AB 300 (Caballero) Subdivisions: water supply.**Current Text: Amended: 6/30/2009 [pdf](#) [html](#)

2Year	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf.	Enrolled	Vetoed	Chaptered
Dead	1st House				2nd House				Conc.			

**Summary:**

Would require, until January 1, 2017, the public water system, or the local agency if there is no public water system, to review, verify for accuracy, and approve, as specified, the subdivider's water savings projections attributable to voluntary demand management measures, as defined. The public water system would be authorized to collect fees necessary to provide the additional analysis of the voluntary demand management measures. This bill would provide that a water supply assessment completed, as specified, satisfies the existing requirement of verifying sufficient water supply, unless the public water system receives specified new information. The public water system would be required to determine the projected water savings attributable to the voluntary demand management measures that will be incorporated into the subdivision. The projected water savings would be required to be calculated using specified data compiled or maintained by the public water system or the water savings projections adopted by the California Urban Water Conservation Council. If a project applicant proposes to use a new voluntary water demand management measure for which neither the California Urban Water Conservation Council nor the public water system has adopted an estimate or method to calculate the projected water savings of the proposed voluntary demand management measure, the projected water savings would be required to be made based on documented methodologies or calculations submitted in the record. Five years after the project has been fully developed, the public water system would be required to include within its next urban water management plan a report on the monitoring and compliance of voluntary water demand management measures and to determine, if practicable based on readily available information, whether they have resulted in the water savings necessary to achieve the agreed upon water demand offsets. The bill would also require the public water system to document the measured annual water use of the subdivision in comparison to the projected demand associated with the subdivision, and to calculate the water savings attributable to the voluntary mitigation measures financed by the Voluntary Water Demand Mitigation Fund for the subdivision. If the public water system bases its written verification of a sufficient water supply for the subdivision, in whole or in part, on the use of voluntary demand management measures within the subdivision, the written verification would be required to be conditioned on the maintenance and operation of the voluntary demand management measures, or measures that are at least as water efficient, as agreed to by the applicant and the public water system, and the recordation as a covenant running with the land for the lots within the subdivision. The bill would provide that by acceptance of a deed to a lot, each purchaser would acknowledge the obligation to comply with the voluntary demand measures for the lot as described in the covenant. These covenants would be authorized to be enforced pursuant to the existing authority of a public water system. The bill would further require a builder, prior to the close of escrow, to give a

purchaser information that would be required to be included in a maintenance manual that informs the purchaser of the existence of the home's unique water saving devices, including specified information. The bill would also encourage the public water system to commit to carrying out the water conservation measures funded by the Voluntary Water Demand Mitigation Fund within 24 months of the sale of the last unit of the proposed subdivision. The bill would require the public water system to choose water conservation measures that are the most cost-effective means to yield water savings . The bill would authorize expenditures from the fund to be made within the subdivision or elsewhere within the service area of the public water supplier, at its discretion. Not less than 40% of the proceeds from the voluntary water demand mitigation fund would be required to be directed to water conservation programs in any disadvantaged community, unless the public water system makes a specified finding. By adding to the duties of the public water system, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

**Position:** None at this time

**Subject:** Service Reviews/Spheres, Water

**CALAFCO Comments:** Requires the preparation of a water assessment report for projects which reduce water consumption, which requires consultation with affected agencies, including LAFCo.
