**RECOMMENDATION**

This is an information only item. No Commission action is required.

**SUMMARY**

The Notice of Preparation (NOP) was circulated for public and agency review and comment from September 27 to October 27, 2010. The draft Municipal Services Review, prepared by the applicant has also been circulated for a thirty day agency review period.

Attached is the summary of issues raised at the October 26 Public NOP Scoping meeting. Generally, comments touched upon water, air quality, habitat and open space matters. There was also some discussion regarding the process for and timing of development of the area.

Staff clarified that the County land use jurisdiction remains in place until such time as an annexation may be approved by the Commission. There is no current timeline for any annexation proposal.

Your staff will continue to provide project status reports as needed.

Respectfully,

**SACRAMENTO LOCAL AGENCY FORMATION COMMISSION**

Peter Brundage  
Executive Officer
